Address:.....

Tax nr.: .....

Bank account number: Kislók-equí Kft., K&H Bank Zrt., HU97 1041 0400 0000 0190 0740 8601

**Breeding Conditions:**

The breeding season runs from 16 February to 31 October 2026.

Semen from Drago is available as fresh semen. Semen is collected at the approved semen collection station of Kislók-equí Kft.. The responsible leader of the station is Csilla Zámbó DVM.

According to the European regulations, semen may only be shipped to locations outside Hungary that are registered as an Equine Establishment in TRACES. Without a valid (one-time and free) registration, no health certificate can be issued. Breeders are advised to arrange this registration in time.

A maximum of three cycles of semen will be supplied per mare.

The total stud fee for fresh semen and first shipping must be paid in advance without exception. The semen will be shipped after the payment has been received.

The semen will be shipped with DHL at the address provided by the Buyer.

**System of semen ordering:**

Demand have to be reported 1 day before semen collection.

Semen collection is possible at the following days: Monday, Tuesday, Wednesday, Thursday. Arriving of the semen will be next day after semen collection. International and national public holidays have to be considered before semen ordering.

Order	Collection and departure	Arrival
Sunday	Monday	Tuesday
Monday	Tuesday	Wednesday
Tuesday	Wednesday	Thursday
Wednesday	Thursday	Friday

Sperm transporter box and cooler blocks are included in the shipping price. In case of returning, 35 EUR will be refunded.

Shipping and collection fee is 160 EUR+VAT.

Semen can be ordered at the following channels:

e-mail: [kl.stable.kislok@gmail.com](mailto:kl.stable.kislok@gmail.com)

facebook messenger: KL stable

Telephone: 0036302876112

The parties may not transfer their rights arising from this contract to a third party.

This purchase contract does not cover the actual implementation of the insemination, any related boarding or any other veterinary treatment, which issues the buyer must record in a separate agreement with the person or organization he or she has appointed.

The provisions of the Civil Code shall apply to issues not settled in this contract.
